## Audio/Visual

WGBH Boston. *Ancient treasures from the deep*. WGBH Educational Foundation, c1987.

**Notes:** Also issued under the title *Voyage from Antiquity* (INA Films, Tulsa, Oklahoma, 1986)

A review of the recovery of items from a 14th c. BC shipwreck, called the Ulu Burun, near Kas, Turkey. The work is supervised by George Bass, of the Institute of Nautical Archaeology in Texas. This program documents the initial dives and subsequent research done in 1984-85. Some of the objects brought up are glass ingots, a gold cup and pottery pieces. For additional information, consult the *National Geographic*, Dec. 1987, pp. 693-734.

**Location:** Audio/visual collection *Ancient treasures from the deep*
